

School Zone Ltd

I am delighted to be the new supplier of uniform for The Study Wimbledon. We will try very hard to live up to the very high standard of service that SPS have provided over many years.

My name is Jacqui Parfitt and I started School Zone some 20 years ago: it has grown successfully in that time but remains my family business.

When I started, I was a mother of 4 children of school age and I had a lot of experience of buying school uniforms, some good and some very bad. In starting the business, I decided that when your child is starting school for the first time, buying the uniform should be a happy and memorable experience for the child and for the parent or guardian. 20 years later we still have this as one of our main aims.

School Zone is based in Kingston; we have a retail side, situated in Bentalls Department Store. Being a concession in a prestigious department store, our customers can take advantage of all the benefits that the store offers, car parking, restaurants, long opening hours etc. We are a small team of 5 expanding to 10 in the summer to cater for back to school and to cover being open 7 days a week.

We look forward to welcoming you and your children at School Zone from Monday 9 April.
